Media Center Skyeng.

One and best ways to study English in a lack of time. Convenient interface, availability and organization - this is what the first is striking. The project was developed in 2013 by a group of active graduates of the Moscow Physics and Technology University, for which English became an integral part of life.

School Skyeng differs not only by the high qualifications of teachers, but also a unique approach to learning. Each listener turns out individual motivational support in the process of mastering the language and after the end of the courses.

Statistics on the site claims that only one of 36 English teachers who want to take part in the program are an interview. Despite such a high competition, Skyeng leads the number of teachers among online schools.

Lessons pass tet-a-tet, taking into account the abilities and opportunities of students. The learning program is clearly structured, each occupation is devoted to a certain topic, and after the end of the stage, you can track personal progress.

Skype online lessons suggest regular homework. In the event of a successful course, you will receive a special certificate indicating English knowledge level.

School has been successfully operating on the market for foreign languages online for more than 7 years. She has greatly proven itself among users and teachers. English can be studied with a Russian-language teacher or a native speaker. All Ninnel workers are professional teachers, therefore are able not only to treat facts, but also to present information in an interesting and convenient form for perception.

School carefully applies to the means of their students. Trial lesson is free, as in most services. But make money immediately for the entire package of services is not required, you can pay at least one lesson. If for any reason the user decided to interrupt their studies, then all unused funds are returned.

Official website: ninnel.ru School "White Rabbit"

In the "White Rabbit" you will be offered courses on learning English through Skype with the teacher. Lessons are held one-on-one with one listener, but if you have a partner for joint training, you can create a conference with the participation of the teacher. Please note that the school itself is not engaged in a set of groups.

Each student receives a first trial lesson for free to understand whether the learning system is suitable for him. Also at the introductory lesson, the school specialist determines the level of knowledge of the listener. The tutor is selected personally.

Make your own schedule, adjust the load, follow the tasks in the lessons and home exercises. Already in the first days you will notice progress.

Official site: wrabbit.ru. Specialized online school GO INTERNATIONAL

The school use communicative learning techniques and an individual approach to the student. Immediately after you leave a request on the site, the coordinator will contact you and hold an interview. Then a test lesson follows with a teacher who will pick up, given your preferences.

There are many educational programs at school, therefore it can learn in it both beginners and advanced English users. There is a discount payment system, which will help save on learning. You need to pay in Go International, you need not separate classes, but immediately packets that include a certain number of lessons.

Official website: <http://go-international.ru>. Courses on Skype Proleed Lingua

Classes with a teacher are carried out individually - this is very important to achieve the goals set by a student. Tutors use classic and author's material supply techniques, which significantly speeds up his memorization.

Creators of courses are assured: fully talking in English their listeners will be able after 2-3 months of regular classes.

The basis of teaching is a communicative technique. This means that from the first lesson you will begin to express in English, and eventually you will only improve your skills. This approach allows you to quickly overcome the psychological barrier, learn to perceive the speech on the rumor, understand its features, correctly put the pronunciation.
